“Resolved that, as a non-binding advisory vote, as recommended in the King Code of Governance for South Africa 2016, commonly referred to as King IV, the group’s remuneration policy as set out in the remuneration report on pages 96 to 112 of the integrated annual report be hereby confirmed.”

**7. Ordinary resolution 7 - confirmation of the implementation group’s remuneration policy**

“Resolved that, as a non-binding advisory vote, as recommended in the King Code of Governance for South Africa 2016, commonly referred to as King IV, the implementation group’s remuneration policy as set out in the remuneration report on pages 96 to 113 of the integrated annual report be hereby confirmed.”

**Reason and effect**

King IV and paragraph 3.84 (k) of the JSE Listings Requirements, requires the board (with the assistance of the remuneration committee) to put forward a remuneration policy and an implementation report related to the remuneration policy to the shareholders each for a non-binding advisory vote. In accordance with the recommendations of King IV, the company should give shareholders the right to express their views on the remuneration policy by casting an advisory vote in the manner set out below.

In terms of principle 14 of the King IV, the company’s remuneration policy and implementation report should be tabled to the shareholders to endorse the non-binding advisory vote in the same manner as any other ordinary resolution tabled at the AGM. However, failure to endorse the non-binding advisory votes will not have any legal consequences for existing arrangements.

The percentage of voting rights required for ordinary resolutions numbers 6 and 7 to be endorsed. The minimum percentage of voting rights to adopt these resolutions as non-binding advisory votes is 50% plus one vote of the voting rights exercised by shareholders present at the AGM or represented by proxy and entitled to exercise their voting rights. In the event that 25% (twenty-five percent) or more of the votes are cast against ordinary resolutions numbers 6 and/or 7, the company undertakes to engage with dissenting shareholders in a manner stipulated in the remuneration report.

\* Chairman’s fee paid in addition to a member’s fee.

Executive directors do not receive directors’ fees.

Fees are stated excluding value added tax.

**Reason and effect**

The reason for special resolution number 1 is for the company to obtain the approval of shareholders by way of special resolution for the payment of remuneration to its non-executive directors in accordance with the requirements of the Companies Act.

Shareholders approved the fees for the year from 1 July 2019 to 30 June 2020 at the AGM of 30 October 2018 and no change is proposed to those fees except those relating to divisional finance and risk committees. An inflationary increase of 5% (rounded to the nearest 500) is proposed in respect of fees for the period from 1 July 2020 to 30 June 2021.

In light of the increasing expansion of the group outside of South Africa and the resultant appointment of directors who are not South African, fees for foreign directors who are not South African and are based outside of South Africa are proposed in Euro appropriate for directors based there to ensure the competitiveness of Imperial when considering the appointment of foreign directors with international expertise.

The effect of special resolution number 1 is that the company will be able to pay its non-executive directors for the services they render to the company as directors without requiring further shareholder approval until the next AGM.

#### Percentage voting rights

The minimum percentage of voting rights that is required for this resolution to be adopted is 75% (seventy-five percent) of the voting rights to be cast on the resolution.

### 9. Special resolution number 2 - general authority to repurchase company securities

"Resolved that, the company, or a subsidiary of the company, be and is hereby authorised, by way of a general authority, to acquire securities issued by the company, in terms of the provisions of sections 46 and 48 of the Companies Act and in terms of the Listings Requirements of the JSE Limited (the JSE), (the Listings Requirements), it being recorded that the Listings Requirements currently require, inter alia, that the company may make a general repurchase of securities only if:

- Any such repurchase of securities is effected through the order book operated by the JSE trading system and done without any prior understanding or arrangement between the company and the counterparty (reported trades are prohibited).
- Authorised by the company's MOI.
- The general authority shall be valid until the next AGM of the company, provided that it shall not extend beyond 15 months from the date of this special resolution number 2.
- When the company has cumulatively repurchased 3% of the number of securities in issue on the date of passing of special resolution number 2, and for each 3% thereof, in aggregate acquired thereafter, an announcement is published as soon as possible and not later than 08:30 on the second business day following the day on which the relevant threshold is reached or exceeded, and the announcement complies with the requirements of the Listings Requirements.
- At any time, only one agent is appointed to effect any repurchase on the company's behalf.
- The company or its subsidiary does not repurchase securities during a prohibited period unless the company has a repurchase programme in place where the dates and quantities of securities to be traded during the relevant period are fixed (not subject to any variation) and full details of the programme have been submitted in writing to the JSE prior to the commencement of the prohibited period.
- Any general repurchase by the company of its own ordinary shares shall not, in aggregate in any one financial year exceed 5% of the company's issued ordinary shares as at the date of passing of this special resolution number 2.
- In determining the price at which the securities are repurchased by the company or its subsidiary in terms of this general authority, the maximum price at which such securities may be repurchased will not be greater than 10% above the weighted average of the market value for such securities for the five business days immediately preceding the date of repurchase of securities.

"The directors of the company confirm that no repurchase will be implemented in terms of this authority unless, after each such repurchase:

- The company and the group will be able to pay its debts as they become due in the ordinary course of business for a period of 12 months after the date of the notice of the AGM.
- The consolidated assets of the company and the group, fairly valued in accordance with the accounting policies used in the latest audited annual group financial statements, will exceed its consolidated liabilities for a period of 12 months after the date of the notice of the AGM.
- The share capital and reserves of the company and the group will be adequate for ordinary business purposes for a period of 12 months after the date of the notice of the AGM.
- The working capital of the company and the group will be adequate for ordinary business purposes for a period of 12 months after the date of the notice of the AGM.

and the directors have passed a resolution authorising the repurchase, resolving that the company and its subsidiary(ies), as the case may be, have satisfied the solvency and liquidity test as defined in the Companies Act and since the solvency and liquidity test had been applied, there have been no material changes to the financial position of the group.

"Pursuant to and in terms of paragraphs 11.23 and 11.26 of the Listings Requirements, the directors of the company hereby state that:

- The intention of the company and its subsidiaries is to utilise the general authority to repurchase, if at some future date the cash resources of the company are in excess of its requirements.
- The method by which the company and any of its subsidiaries intend to repurchase its securities and the date on which such repurchase will take place, has not yet been determined.

"The Listings Requirements require the following disclosures with respect to general repurchases, some of which appear elsewhere in the annual report of which this notice forms part:

- Major shareholders page 114.
- Share capital of the company page 114."

## Directors' responsibility statement

The directors, whose names are given on page 20 of the integrated annual report, collectively and individually accept full responsibility for the accuracy of the information pertaining to the general repurchase resolution and certify that to the best of their knowledge and belief there are no facts that have been omitted which would make any statement false or misleading, and that all reasonable enquiries to ascertain such facts have been made and that the aforementioned resolution contain all information required by law and the Listings Requirements.

## No material changes to report

Other than the facts and developments reported on in the integrated annual report, there are no material changes in the affairs or financial position of the company and its subsidiaries that have occurred subsequent to the 30 June 2019 year end until the date of the notice of AGM.

## Reason and effect

The reason for and effect of special resolution 2 is to authorise the company and/or its subsidiaries by way of a general authority to acquire their own securities on such terms, conditions and in such amounts as determined from time to time by the directors of the company subject to the limitations set out above and in compliance with section 48 of the Companies Act.

## Statement of board's intention

The board has considered the impact of a repurchase of up to 5% (five percent) of the company's securities, under a general authority in terms of the Listings Requirements. Should the opportunity arise and should the directors deem it in all respects to be advantageous to the company to repurchase such securities, it is deemed appropriate that the company or a subsidiary be authorised to repurchase the company's securities.

## Percentage voting rights

The minimum percentage of voting rights that is required for this resolution to be adopted is 75% (seventy-five percent) of the voting rights to be cast on the resolution.

## 10. Ordinary resolution 8 – authority to issue ordinary shares

"Resolved that, in terms of the Listings Requirements, the MOI and the Companies Act, the authorised but unissued ordinary shares be and are hereby placed under the control of the directors by way of a general authority that shall remain valid until the next AGM and the directors authorised to allot and issue those shares at their discretion, which authority shall include the authority to issue any option/convertible securities that are convertible into ordinary shares, provided that the aggregate number of ordinary shares able to be allotted and issued in terms of this resolution, shall be limited to 5% (five percent) of the issued share capital at 30 June 2019."

## Percentage voting rights

The minimum percentage of voting rights that is required for this resolution to be adopted is 50% (fifty percent) of the voting rights plus 1 (one) vote to be cast on the resolution.

## 11. Ordinary resolution 9 – authority to issue shares for cash

"Resolved that, the directors of the company be and are hereby authorised by way of a general authority, to allot and issue any of the company's unissued shares placed under their control for cash, as they in their discretion may deem fit, without restriction, subject to the provisions of the Listings Requirements, and subject to the provision that the aggregate number of ordinary shares able to be allotted and issued in terms of this resolution, shall be limited to 5% (five percent) of the issued share capital at 13 September 2019, provided that being 201 242 919 ordinary shares:

- The approval shall be valid until the date of the next AGM of the company, provided it shall not extend beyond 15 months from the date of this resolution.
- An announcement giving full details, including the impact on net asset value and earnings per share in the case of convertible securities, will be published after any issue representing, on a cumulative basis within any one financial year, 5% or more of the number of shares in issue prior to such issue.
- The company's securities which are the subject of the general issue of shares for cash, in the aggregate in any one financial year may not exceed 5% (five percent) (10 062 146 shares) of the applicant's issued ordinary share capital.
- In determining the price at which an issue of shares will be made in terms of this authority the maximum discount permitted will be 10% of the weighted average traded price of such shares, as determined over the 30 trading days prior to the date that the price of the issue is agreed between the issuer and the party subscribing for the securities. The JSE should be consulted for a ruling if the securities have not traded in such 30 business day period.
- Any such issue will only be made to public shareholders as defined in paragraphs 4.25 to 4.27 of the Listings Requirements of the JSE and not to related parties.
- Any such issue will only be securities of a class already in issue or, if this is not the case, will be limited to such securities or rights that are convertible into a class already in issue."

For listed entities wishing to issue shares for cash, it is necessary for the board not only to obtain the prior authority of the shareholders as may be required in terms of the MOI, but it is also necessary to obtain the prior authority of shareholders in accordance with the Listings Requirements. The reason for this resolution is accordingly to obtain a general authority from shareholders to issue shares for cash in compliance with the Listings Requirements.

## Percentage voting rights

In terms of the Listings Requirements, the minimum percentage of voting rights that is required for this resolution to be adopted is 75% (seventy-five percent) of the voting rights to be cast on the resolution.
