“Resolved that, the Company, or a subsidiary of the Company, be and is hereby authorised, by way of a general authority, to acquire securities issued by the Company (including the conclusion of derivative transactions which may result in the purchase of securities), in terms of the provisions of sections 46 and 48 of the Companies Act and in terms of the Listings Requirements of the JSE Limited (the “JSE”), (the “Listings Requirements”), it being recorded that the Listings Requirements currently require, inter alia, that the Company may make a general repurchase of securities only if:

- > any such repurchase of securities is effected through the order book operated by the JSE trading system and done without any prior understanding or arrangement between the Company and the counterparty (reported trades are prohibited);
- > authorised by the Company’s MOI;
- > the general authority shall be valid until the next annual general meeting of the Company, provided that it shall not extend beyond 15 months from the date of this special resolution 2;
- > when the Company has cumulatively repurchased 3% of the number of securities in issue on the date of passing of special resolution 2, and for each 3% thereof, in aggregate acquired thereafter, an announcement is published as soon as possible and not later than 08:30 on the second business day following the day on which the relevant threshold is reached or exceeded, and the announcement complies with the requirements of the Listings Requirements;
- > at any time, only one agent is appointed to effect any repurchase on the Company’s behalf;
- > the Company or its subsidiary does not repurchase securities during a prohibited period unless the Company has a repurchase programme in place where the dates and quantities of securities to be traded during the relevant period are fixed (not subject to any variation) and full details of the programme have been disclosed in an announcement over SENS prior to the commencement of the prohibited period;
- > a resolution by the board of directors that it has authorised the repurchase, that the Company and its subsidiaries have satisfied the solvency and liquidity test as defined in the Companies Act and that, since the solvency and liquidity test was done, there have been no material changes to the financial position of the group;
- > any general repurchase by the Company of its own ordinary shares shall not, in aggregate in any one financial year exceed 20% of the Company’s issued ordinary shares as at the date of passing of this special resolution 2; and
- > in determining the price at which the securities are repurchased by the Company or its subsidiary in terms of this general authority, the maximum price at which such securities may be repurchased will not be greater than 10% above the weighted average of the market value for such securities for the five business days immediately preceding the date of repurchase of securities (the “Price”).

The directors of the Company confirm that no repurchase will be implemented in terms of this authority unless, after each such repurchase:

- > the Company and the group will be able to pay its debts as they become due in the ordinary course of business for a period of 12 months after the date of the notice of the annual general meeting;
- > the consolidated assets of the Company and the group, fairly valued in accordance with the accounting policies used in the latest audited annual group financial statements, will exceed its consolidated liabilities for a period of 12 months after the date of the notice of the annual general meeting;
- > the share capital and reserves of the Company and the group will be adequate for ordinary business purposes for a period of 12 months after the date of the notice of the annual general meeting;
- > the working capital of the Company and the group will be adequate for ordinary business purposes for a period of 12 months after the date of the notice of the annual general meeting; and

Pursuant to and in terms of paragraphs 11.23 and 11.26 of the Listings Requirements, the directors of the Company hereby state that:

- > the intention of the Company and its subsidiaries is to utilise the general authority to repurchase, if at some future date the cash resources of the Company are in excess of its requirements; and
- > the method by which the Company and any of its subsidiaries intend to repurchase its securities and the date on which such repurchase will take place, has not yet been determined.

NOTICE OF ANNUAL GENERAL MEETING (continued)

The Listings Requirements require the following disclosures with respect to general repurchases, some of which appear elsewhere in the Integrated Annual Report of which this notice forms part:

- > Major shareholders page 136
- > Share capital of the Company page 136

Directors' responsibility statement

The directors, whose names are given on pages 6 to 10 of the Integrated Annual Report, collectively and individually accept full responsibility for the accuracy of the information pertaining to the general repurchase resolution and certify that to the best of their knowledge and belief there are no facts that have been omitted which would make any statement false or misleading, and that all reasonable enquiries to ascertain such facts have been made and that the aforementioned resolution contains all information required by law and the Listings Requirements.

No material changes to report

Other than the facts and developments reported on in the Integrated Annual Report, there are no material changes in the affairs or financial position of the Company and its subsidiaries that have occurred subsequent to the 30 June 2016 year end until the date of the notice of annual general meeting.

Reason and effect

The reason for and effect of special resolution 2 is to authorise the Company and/or its subsidiaries by way of a general authority to acquire their own securities on such terms, conditions and in such amounts as determined from time to time by the directors of the Company subject to the limitations set out above and in compliance with section 48 of the Companies Act.

Statement of board's intention

The board has considered the impact of a repurchase of up to 5% (five percent) of the Company's securities, under a general authority in terms of the Listings Requirements. Should the opportunity arise and should the directors deem it in all respects to be advantageous to the Company to repurchase such securities, it is deemed appropriate that the Company or a subsidiary be authorised to repurchase the Company's securities.

Percentage voting rights

The minimum percentage of voting rights that is required for this resolution to be adopted is 75% (seventy five percent) of the voting rights to be cast on the resolution.

8. ORDINARY RESOLUTION 6 – AUTHORITY TO ISSUE ORDINARY SHARES

9. ORDINARY RESOLUTION 7 – AUTHORITY TO ISSUE SHARES FOR CASH

“Resolved that, the directors of the Company be and are hereby authorised by way of a general authority, to allot and issue any of the Company’s unissued shares placed under their control for cash, as they in their discretion may deem fit, without restriction, subject to the provisions of the Listings Requirements, and subject to the proviso that the aggregate number of ordinary shares able to be allotted and issued in terms of this resolution, shall be limited to 5% of the issued share capital at 30 June 2016, provided that:

- > the approval shall be valid until the date of the next annual general meeting of the Company, provided it shall not extend beyond 15 months from the date of this resolution;
- > an announcement giving full details, including the impact on net asset value and earnings per share in the case of convertible securities, will be published after any issue representing, on a cumulative basis within any one financial year, 5% or more of the number of shares in issue prior to such issue;
- > the Company’s securities which are the subject of the general issue of shares for cash, in the aggregate in any one financial year may not exceed 5% of the applicant’s issued share capital (number of securities) of that class;
- > in determining the price at which an issue of shares will be made in terms of this authority the maximum discount permitted will be 10% of the weighted average traded price of such shares, as determined over the 30 trading days prior to the date that the price of the issue is agreed between the issuer and the party subscribing for the securities. The JSE should be consulted for a ruling if the securities have not traded in such 30 business day period;
- > any such issue will only be made to public shareholders as defined in paragraphs 4.25 to 4.27 of the Listings Requirements of the JSE and not to related parties; and
- > any such issue will only be securities of a class already in issue or, if this is not the case, will be limited to such securities or rights that are convertible into a class already in issue.”

For listed entities wishing to issue shares for cash, it is necessary for the board not only to obtain the prior authority of the shareholders as may be required in terms of the MOI, but it is also necessary to obtain the prior authority of shareholders in accordance with the Listings Requirements. The reason for this resolution is accordingly to obtain a general authority from shareholders to issue shares for cash in compliance with the Listings Requirements.
